IMPORTANT

From time to time unexpected circumstances arise, such as bad weather, which forces us to close the school. So as to facilitate our evacuation procedures we kindly ask you to take note of the following points:

- ensure that your contact details are current and the name of the designated person accurate
- if you suspect that the school may close please wait for the school to contact you through its notification procedures **DO NOT** ring the school as this will slow down the evacuation as well as impede on the children's safety.
- Keep a close eye on your messages if you are the contact
- Try and listen to the radio for information about school closures
- No child will be allowed to leave the school premises with a different adult than normal without their parent's permission
- Parents should collect their children from the main entrance

Our priority is ensuring the safety of children and staff, therefore your cooperation in this matter is much appreciated.
